

Fullness of Life DAY 5

How do we obtain the victory? It is easy to rejoice when all is going well, but how about rejoicing before we see the outcome! When Jesus lives on the throne of our lives, victory is absolutely sure. "For everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith. Who is it that overcomes the world? Only he who believes that Jesus is the Son of God." 1 John 5:4. While we are worrying about a problem, God cannot work on our behalf. God is pleased with our faith in Him. When we rejoice and trust Him, we can then see clearly any necessary action we need to take. God is working in us, for us and through us.

The Problem

How do I overcome?
My heart is like a battlefield
Nothing seems to be happening
Where do I go from here?
How can I go deeper and grow stronger?

The Promise

In this life, there will be trouble! Oh dear!
What a promise.
"I have told you these things so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world." John 16:33
You don't have to go it alone. All of Heaven is cheering you on. The Victory is already won.

The Practice

Spending time relaxing. Thank God and think about His track record. Has He ever let you down? Think about how the stories in the Bible relate to you. Who are you in the story? What new thing can you discover about who God is and what He can do during your trial? Relax, keep a good attitude and rejoice in the Lord ALWAYS.

Reflection

Read and think about the following verses.

"For I know the plans I have for you declares the Lord, plans to prosper you and not to harm you. Plans to give you a hope and a future. Jeremiah 29:11
God has plans, not just any plans, but plans for YOU. Plans of victory.

When nothing seems to be happening you can hold on to God's word with confidence.
Read 1 John 5:4 and Revelation 12:11

Action

Write down your thoughts. You began the course feeling one way, how are you leaving it? How have your thoughts about fullness of life changed since day 1? What is your biggest take away?

Retake the assessment and check your progress. Send me a message letting me know your results and today's thoughts.
